

N O T I C E.

Wed 8th. June.

GENERAL MEETING

.....

A general meeting will be held in the George St. Refectory starting at 7:30 pm. Unfortunately Garth Lahey will not be giving his talk due to illness, but anyone with slides of recent trips should bring them along, and the next few trips and some general business will be discussed.

TWEED RANGES.

11th. - 13th June.

.....

This year the Queen's birthday weekend will be held in the Tweed ranges. It will be a combined Thruwalk and 2-day walk and basecamp

Thruwalk:- Normal.

It will start from Collins creek, the basecamp, and proceed to the Local Pinnacle, across a razorback to the Tweed Pinnacle, down Paddy's Mt., and back to the basecamp.

2-DAY walk:- Easy.

This will entail an easy walk up Green Pigeon and Bar Mt. It is in an area new to the club, and in very impressive surroundings. The exact nature of the third day will depend on the transport, which it appears will be private, but will be finalised at the meeting. Could anyone with cars available for this trip contact Ken Warner (7.3638) before or at the meeting.

CLIMBING AFTERNOON.

Sunday 19th. June

.....

Rockclimbing can be fun, and often essential if some aspects of bushwalking are to be met confidently. This is the time to learn to repel and belay and be safe and confident on rock.

The afternoon should commence at 2 pm. at Kangaroo Pt, River Tce., opposite the Old King's College. Wear old clothes, sandals, and it is best if an extra pair of trousers and a jacket are brought for the repelling

All wishing to attend the Glasshouse Mt. weekend (25th.-26th) should come to this afternoon.

B.L. Bolton

(Hon. Secretary)
