

NOTICE.

1st-4th MAY (Labour Day Weekend).....MT. BARNEY.

THROUGHWALK TO, & BASE CAMP FROM, MT. BARNEY HUT.

Private transport will leave Brisbane on Saturday morning. Packs will have to be carried up Mt. Barney to the hut near the top (so don't bring the Kitchen sink etc.) Base camping at the hut then makes the whole of Mt. Barney accessible for exploration, in short trips.

BARNEY SPUR THROUGHWALK.

This will be along spectacular Mt. Ernest to the Barney Spur and West Peak, starting from the base of Ernest early on Saturday morning. Transport will be by private cars leaving Brisbane on Friday night, or after the Commem Ball very early on Saturday morning for anyone going to that function.

TRANSPORT.

In case there are not enough cars available we may have to arrange a truck. This means that we will have to know early if you are coming.

You are therefore asked to ring Keith Scott, 97 5818, by Friday 24th April, letting him know what walk you wish to go on and whether you have a car. If possible, pay 10/- to one of the Committee.

EQUIPMENT. If you wish to buy a new tent, rucksack, sleeping bag or any other equipment made by PADDY PALLIN, you may now make the purchase through the Club. - a service started for the mutual benefit of Paddy Pallin, the Club and yourself.

For enquiries ring Bill Bolton, 7 3046.
