

UNIVERSITY OF QUEENSLAND BUSHWALKING CLUB.

PROGRAMME FOR SECOND TERM 1957

Monday 10th June General Meeting
7.30p.m. George St. Refectory.

John Comino will give a talk on the Cradle Mt. - Lake St. Clair National Park (Tasmania) and Hinchinbrook Island (North Queensland) illustrated by Kodachromes. Come along and hear about these areas which are ideal for extended trips.

Arrangements will be made for the Queen's Birthday weekend trip.

14th - 17th June (Queen's Birthday Weekend)
..... Cronan's Creek

A base camp will be held on upper Cronan's Creek below Mt. Barney with Mts. Ernest, Gillies, Lindesay, etc., nearby, and a fairly difficult through-walk will be run from Mt. Ernest to the Barney Spur and the West Peak of Mt. Barney.

A deposit of 10/- is required by 10th June.

Tuesday, 25th June General Meeting
7.30p.m. George Street.

Dr. Stevens will show Kodachromes and speak on "Walking in the Snowy Mountains". (Dr. Stevens will be visiting this area in the Long Vac.; anybody interested should contact him for information.)

Arrangements will be made for the trip to Wilson's Peak.

Saturday, 29th June Rock Climbing Afternoon

At Kangaroo Pt., at 2.00p.m., opposite King's College (River Terrace). Wear old clothes and sandshoes.

12th - 14th July Wilson's Peak.

We will climb Wilson's Peak and see some of this extremely interesting area which includes Tevot Falls, Kinnanes Falls and spectacular views of the Condamine Gorge, Mts. Superbus, Roberts, etc.

A deposit of 10/- is required by 1st July.

Tuesday, 23rd July General Meeting.
7.30p.m. George Street.

A talk will be given on First Aid, and Kodachromes will be shown.

Arrangements will be made for Second Vacation trips.

Sunday, 28th July. Mt. Mermaid
Day walk and rock climbing.

From Mt. Mermaid (near Upper Brookfield) excellent views of Lake Manchester and out to the Scenic Rim can be seen, with good opportunities for rock climbing - a change from Kangaroo Pt.

Transport will be by Council bus or private car.

SECOND VACATION.

10th - 11th August Mt. Barney Hut.

BUILDING TRIP (with Brisbane Bushwalkers).

N.B. This is a working trip and everyone who comes must be prepared to work. Transport will probably be by private car.

Fraser Island Last week of vacation.

It is hoped to run a trip to Fraser Island (east of Maryborough). This is an interesting area with beaches, surf, lagoons, etc.

Other trips may be arranged in the vac. if anyone is interested.

Tuesday, 3rd September ANNUAL GENERAL MEETING

7.30p.m. George Street

Talks. Elections. All nominations for the Committee must be in the hands of the Secretary before the meeting, and be signed as being accepted.

Saturday, 7th September Barbecue

This will be held at some suitable place which will be announced later.

Sunday, 29th September Day walk

This will probably be to Monserrat Lookout which gives one of the best views of Mt. Barney and should be a really worthwhile trip.

LONG VACATION EXTENDED TRIP TO TASMANIA.

It is hoped to run a trip to the Cradle Mt. - Lake St. Clair National Park in Tasmania. The trip will be for about three weeks starting around Christmas. Make a definite decision about this trip SOON.

Remember that the Club has sleeping bags, rucksacks and tents for hire.

Deposits for trips may be paid to any member of the Committee, or the Outings Officer notified by 'phone.

Further details of trips, meetings, etc., will be put up on University Notice Boards.

If you have any queries, contact one of the Committee:
