

UQBWC

UNIVERSITY OF SUEDELAND ADVENTURING CLUB

NOTICE.

9th.- 10th. July.

NAVIGATION TRIP

.....

Grading:- .....

Members going on this trip should contact Ken Warner (7.3638) after Wednesday for full particulars. Transport is by private car, and exact details depend on the number going. (Serch and Rescue might want to know later.)

16th- 17th July.

EDINBOROUGH CASTLE and the BEEHIVE.

.....

Basecamp.

Edinburgh Castle is a mountain fairly new to the club. It stands just inside N.S.W., being visible from Mt. Barney. With it are Glassy Mt. and Dome Mt., and for our enthusiastic rockclimbers, Glennies Chair is not too far away. All told, it should prove an interesting area.

Members wanting to go should contact Ken Warner as soon as possible, as transport will be by private car. Anyone who could bring a car should also inform Ken, who will be arranging the passengers.

Wednesday 20th. July.

GENERAL MEETING.

.....

A General Meeting will be held in the George St. Refectory on Wed. 20th. July, starting 7:30. (optimism undaunted.) This night we hope to see some of the clubs efforts in colour photography, as a slide competition will be held. Bring along your best and brightest slides. There is a casset of film for the best, and much satisfaction to be got by a showing your slides.

B.L. Bolton.

(Hon. Secretary)
