The Easter trip at present is planned for Many Peaks Ranges, just south of Gladstone, but because of the cost and transport difficulties it may be necessary to abandon it. If so, the trip will probably be to Emu Creek.

GENERAL MEETINGWEDNESDAY, 17TH MAYGEORGE ST. REFECTORY 7.30 P.M.

This is the meeting to organize your Vacation trips, and show your own Kodachromes (while everyone else hisses).

First Term ends on 20th May. There will be no organized Club trips during the Vac. Make your own.

We have the pleasure of congratulating one of our long-standing members, Nev. McTaggart who has recently become engaged to Sheila Jess.

We are also delighted to announce that an area of the Many Peaks Ranges has been proclaimed a National Park. This culminates about 3 years of goading by our Committee. Let us make it the first of many.

For any information about the Club, or hiring of equipment etc., contact one of the Committee.
