

UNIVERSITY OF QUEENSLAND BUSHWALKING CLUB CIRCULAR

SECOND TERM 1958.

June 14th - 16th BARNEY CREEK.

Base Camp: This will be on Barney Creek near Drynan's Hut. From here, one or two day trips can be made to Barney Gorge, the Portals, Montserrat Lookout, and of course, *Barney itself.

(*See Foot Note: page 2.)

Throughwalk: This will be run from Cronan's Creek up onto Savage Point and West Pk. then along the Barney Spur and down into Barney Creek, following this out to the Basecamp, visiting on the way, Montserrat Lookout and the Portals.

Wednesday 18th June General Meeting.

George St. Refectory 7.30 pm.

We hope to have a film on rockclimbing for this meeting. This will be a prelude to the climbing afternoon.

Arrangements will be made for the next trip.

Saturday 21st June..... Climbing Afternoon.

Kangaroo Point (River Terr). opposite King's College.
at 2 pm.

We will try to show you some basic principles of rockclimbing, since such are often necessary on a bushwalk, when you may have to ascend or descend a cliff. (This can sometimes be done safely).

Wear old clothes and sandshoes.

July 5th-6th Mt. Byron-Diana's Bath.

There are supposed to be some Aboriginal Cave paintings on Mt. Byron, and Duncan is going to find them for us. Well we might find the caves anyway.

Saturday 12th July Mt. Mermaid.

Climbing afternoon & Barbecue.

We will do some climbing on Mt. Mermaid during the afternoon, and then have a barbecue on top at night. We may get a moonlight view across Lake Manchester and the lights of habitation.

Bring your water buckets and torches.

Wednesday 23rd July General Meeting.

George St. Refectory

We may have some Kodachromes of New Zealand for this meeting.

July 26th-27thMt. Greville & Minto Craggs.

Mt. Greville is a spectacular peak in the Fassifern district. Apart from interesting gorges and pinnacles on the peak itself, there are views of the Scenic Rim and the other peaks in the valley.

Nearby Minto Craggs are a paradise for the rockclimbers, but also have interest for everyone.

Saturday 2nd AugustANNUAL PARTY.

We hope this year, that the party will be more typical of a Bushwalking function than it has been in previous years.

More details later.

SECOND VACATION9th Aug.- 1st Sept.

No club trip has, as yet, been planned. If there are enough people interested in a particular trip, then this can be arranged. We feel however that private or semiprivate trips are more successful (and less trouble for the Committee) Let us know if you have a trip in mind.

Wednesday 10th SeptemberA.G.M.

George St. Refectory 7.30 pm.

Come and hear what the Committee thought of you this year. Then get your own back when we elect the new Committee. Nominations must be in the hands of the Secretary before the meeting, and must be signed as being accepted.

Sunday 28th September.....DAY WALK.

This will probably be to Mt. Gillies or Campbell's Folly.

From now on, nominations will not be accepted without deposits. These may be paid to any member of the Committee. Please remember to let the Outings Officer know if you want to go on a trip; and if you change your mind about going, let him know within a reasonable time before the trip.

Details of all trips etc. will appear on the University Notice Boards, so consult the boards for up to the minute news.

If you have any queries contact one of the Committee.

President:	Duncan McPhee	U.3710	Architecture (Evening)
Secretary:	Keith Scott	XU.5818	Science (George St).
Treasurer:	Arthur King	XM.2964	App.Sc. (St. Lucia)
