

NOTICE.

30th. - 31st July.

RAINING CLIFFS.

.....
Combined thruwalk and Basecamp.

This weekend will be spent in the Green Mountains area, an area of wide interest and diversity.

BASECAMP :- Leader: John Carter.

It will be either at Morans Falls, or at Raining Cliffs. The variety presented by this area is immense, but at this stage an inventory would not suffice. However there are caves, lookouts, grottoes, waterfalls by the hundreds, indeed, some beautiful pieces of Australia are in this area.

THRUWALK:- Leader: Roger Ewer.

The thruwalk will start at Raining Cliffs, pass down Stockyard Cree, south, to enter the Lost World, enter Black Canyon and see Lightning and Thunder Falls, shoot up Shooting (Fall) Creek for the track back to Morans Falls.

It should be a worthwhile trip.

Transport will be by truck, which will leave the Kidney Lawn Gorge St. at 6:30 pm. Friday night.

Those people wishing to come on this trip, and have not already notified Ken Warner and paid the \$1/- deposit, should do so as soon as possible. (Ken Warner: 7.3638)
