UNIVERSITY OF QUEENSLAND BUSHWALKING CLUB.

I M P O R T A N T

Wednesday 26th February .....Freshers' Welcome.

George Street Refectory 7.30 pm.

Once again the time has come for the Club to welcome ~~the~~ Freshers. We would like to see as many present members as possible at the meeting, so try to come along. We are expecting a big roll up of Freshers this year, so we will need you, and we will need that SUPPER you are bringing.

We will be showing some selected Kodochromes illustrating bushwalking etc. and also showing the areas we will be visiting this year. This should interest you as well as the Freshers.

Come along, and PLEASE, don't forget to bring some SUPPER, (and also your 5/-).

Keith Scott,  
Hon. Secretary.
