

NOTICE.

EASTER TRIP TO EMU CREEK..... 18th-22nd April. 1957

A base camp will be held at Emu Creek. This will give an opportunity to visit many features, such as Conns Plains, Lizard Lookout, Mt. Superbus, the Steamers, Panorama Pt. etc.

Two through walks will be held, one from Aratula to Emu Ck. climbing Mt. Greville (which gives excellent views of the Scenic Rim) and ascending the Main Range near Mt. Roberts.

The other will be along the crest of the Main Range, from Cunninghams Gap to Emu Ck. This throughwalk will be fairly difficult (much more so than the Flinders Pk. trip) and should be attempted ONLY by those with some bushwalking experience and carrying good light weight equipment.

Anyone wishing to change from throughwalk to base-camp or vice versa, please ring the Outings Officer (Duncan McPhee U.3710).

Those wishing to come on this trip must pay 10/- deposit to a member of the Committee by 8th April.

Transport will be by bus, leaving the Kidney Lawn George St. at 6.30 pm on Thursday 18th April.

GENERAL MEETINGWednesday 24th April.

7.30 pm George St. Refectory.

Kodachromes of Alaska will be shown by Rosemary Taylor.

Arrangements will be made for the trip to Wyberba, which will be by private transport.

Please bring some SUPPER.
